

Robert W. Barner

Robert W. Barner has over nineteen years of experience in the area of training and organizational development. For the past nine years, as the Vice President for Parry Consulting Services, Inc. (PCS), Bob has provided consultation and training in total quality management, career development and team building for such companies as AT&T, Honeywell, Harris and GTE.

His first book, *Lifeboat Strategies: How To Keep Your Career Above Water During Tough Times...or Any Time*, deals with the subject of job and career success. Bob is frequently referenced as an expert on the subjects of career development and visionary leadership.

During the past year he has participated in over forty television and radio interviews, or was interviewed or quoted by such sources as the *Wall Street Journal*, *The Detroit Free Press*, *Executive Management Magazine*, *Executive Solutions*, and syndicated columnists Paula Ancona and Jim Pawluk.

He has published articles on the subjects of leadership, employee empowerment, career development and continuous improvement for *The National Business Employment Weekly*, *The Journal for Quality and Participation*, *The Training and Development Journal*, *HR Magazine*, and *The Futurist*.

Mr. Barner has been a keynote speaker and presenter at national conferences and symposia, including the American Management Association's 65th Annual Human Resource Conference (April 1994) and the forthcoming Annual Meeting of the World Future Society in July 1995.

BECOMING A CAREER STRATEGIST

Uncover career opportunities by learning to use diversified networking and how to identify portable skills.

Six Successful Career Strategies

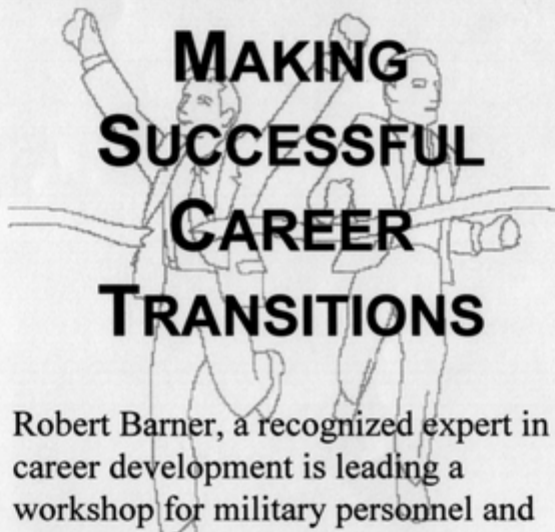

- On-Going Reappraisal
- Flexible Planning
- Distributed Networking
- Portable Skills
- Environmental Scanning
- Value-Added Assessment

Technology Innovation Center

dedicated to be a contributor to the success of the high value added industries of Central Florida by seeking to stimulate fresh thinking in programs, collaborative leadership, and communication that will lead to a strengthened and growing technology industry and its management programs.

MAKING SUCCESSFUL CAREER TRANSITIONS

Robert Barner, a recognized expert in career development is leading a workshop for military personnel and veterans. This valuable workshop outlines some of the major changes occurring in today's workplace, and the success principles that today's career strategists are using to successfully meet these challenges.

Participants learn how to uncover career opportunities through the use of diversified networking and how to identify portable skills that can help them transition to new career fields.

This no cost workshop, sponsored by Valencia's Technology Innovation Center and the Military Transition Program, includes in-class exercises that can help you strengthen your skills as a career strategist.
